

## Enjoy the road ahead with Encompass.

Your car is an important part of your daily life. So you need insurance that can keep up.

For car insurance that can provide the coverage you need and options you want, Encompass is the insurance company for you.

Auto Insurance

### Auto insurance that protects more than your car.

With Encompass, you get a 12-month auto policy — so your rate is locked in for at least one full year.\* But that's only one of the benefits you'll enjoy.

#### Two levels of coverage.

With the Universal Security Policy, you can choose the coverage option that fits your needs:

---

**Elite** includes additional features like unlimited accident forgiveness

---

**Deluxe** offers first accident forgiveness and guaranteed renewal

---

\*Although your rates will not change during your policy period, the premium amount due may vary due to changes in coverage.

## Superior claim service.

When something goes wrong, you want to know there's someone you can talk to. That's why you can reach Encompass 24 hours a day, seven days a week to:

- **Make a claim**
- **Check the status of your claim payment**
- **Get emergency assistance or service when you have applicable coverage**

Plus you can always call your independent insurance agent. He or she can help you report a claim or find the answers to your questions.

## Repair Guarantee Program.

Having your car repaired after a claim doesn't have to be a hassle. Especially when you can choose where you take your car to be repaired and what repairs they make.

If you take your car to one of our recommended repair shops, the workmanship for covered repairs is guaranteed in writing for as long as you own the vehicle.

## Money-saving discounts.

Everyone likes to save money. Encompass offers a range of discounts.\*\* Ask your independent insurance agent if you qualify for any of the following:

- **Good driving record**
- **Safety and anti-theft equipment**
- **Multiple cars**
- **Homeownership**

## The Universal Security Policy can make your life easier.

If you're looking for ways to simplify your life, the Universal Security Policy (USP) can help. By combining your insurance into one policy you'll have just:

- One premium
- One bill
- One renewal date

And you may even earn a package discount by bringing all your coverage together.

In addition to your car, The Universal Security Policy can help you protect your:

- Home
- Identity
- Rental
- Boat
- Motorcycle or other recreational vehicle
- Home business

Plus, if two or more of these items are damaged in one incident — like a fire damages your home and car — you only have to pay one deductible.

## Make Encompass your insurance company.

Encompass is sold by independent agents who have the freedom to recommend a variety of insurance products and companies. We strive to provide more reasons to choose Encompass, including:

- **Simpler insurance experience**
- **Innovative coverage options**
- **Responsive, hassle-free claim service**
