

# When I was a kid, nothing made me happier than my toy boat. Some things never change.

➤ Watercraft insurance from a company that was born on the water. With independent agents in most of America's boating capitals, we understand the lure of the water, as well as the ins and outs of insuring your bass boat, runabout, sailboat or pontoon.

## TOP 3 REASONS TO BUY SAFECO®

1

### Insure your vessel without getting soaked.

For less than a quarter of the cost of an average auto policy, you can get high-quality coverage that protects you for an entire year. Our full coverage policy includes collision damage and liability coverage, along with lots of extras:

- Agreed-upon value for watercraft, including personal watercraft
- Fuel spill and wreckage removal at no extra charge
- Up to \$500 in towing and labor costs
- Discounts for completing an approved safety course

2

### It's about more than your boat.

We not only insure your boat; we insure what's in it:

- Personal Effects coverage covers all your fishing gear and other personal property—up to \$750
- The Captain's Package option increases coverage for your personal effects to \$2,500 and provides roadside assistance for listed trailers
- Unattached Equipment automatically covers items like water-skis, safety equipment and marine electronics—up to 10% of the total policy value

3

### Full speed ahead.

Because we write your policy without a lot of red tape or paperwork, we can usually get you out on the water within minutes, instead of hours.
